

AUDiTEC, Inc.

PRICE LIST (Effective September 2011)

Welcome to our price list.

The following test prices are for individual recordings in compact disc format. However, if you order more than one test per compact disc, we will discount the test price \$20.00 for each *additional* test recorded on one disc. That is, if you order a test that costs \$102.50 and another that costs \$65.00 the total would be \$167.50 - \$20.00 = \$147.50. Or, as another example: first test \$102.50, second test \$65.00, and a third test \$86.00, the total would be \$253.50 - \$40.00 or \$213.50. Email your test selections to auditecinfo@auditec.com for an exact quote.

Cassette format is still available for most recordings. Add 20 percent to the following test prices for each recording desired on cassette format.

If you have questions, please feel free to call or email. We are here to serve you!

TERMS AND CONDITIONS

ORDERING

Orders for cassettes must have "C" before the catalog number (i.e. C101), for compact discs "CD-R" must be added to the catalog number (i.e. CD-R101).

US SALES

Terms are cash with order or major credit card. Purchase orders are acceptable only on prior approval. Purchase order sales are net 30 days, FOB shipping point, shipping and handling prepaid and added to the invoice. (Order form lists S & H prices.) Orders prepaid by check will be shipped free to addresses within the contiguous US states. Unless otherwise instructed, we ship UPS; therefore, street addresses are required. Expedited or special instruction shipments are available at additional cost. Call or email for estimate.

FOREIGN SALES

All transactions are in US funds. Payment must be by credit card, international money order, or check drawn on US bank (on US soil). Prepaid foreign orders must include shipping and handling. Email for shipping costs. Unless otherwise instructed, Canadian shipments will be by UPS.

MINIMUM ORDER

Minimum order is \$15.00. Orders for less than \$15.00 will be increased to \$15.00 plus shipping and handling.

RETURN POLICY

Since recordings are easily copied we will NOT accept returns without prior authorization. A 20% restocking fee will be levied on returned items unless they are defective. Special orders are not returnable unless defective. Defective recordings must be returned within six months of invoice date.
